Blizzard Baq #1

Go to radio garden (http://radio.garden/visit/dover-oh/FU1HIvnf) . Going anywhere in the world with radio stations, find 4 different stations with music playing. Identify the following information for each one:

Station name or callsign:
Station Frequency and whether AM or FM:
Language (best guess):
Local time (when listening):

Then <u>using musical terminology</u> describe the music you are listening to. (what instruments are used? Are there vocals? What musical style/styles? Do you think it's local music or "imported" from somewhere else? How recent does it sound? Can you identify the actual song? (you can use an app like Shazam to help)

Complete and submit in 1 week from assigned date.

(5 points/station - 20 points total)
