

Blizzard Bag #2

Complete and submit in 1 week:

1.) Make a video recording of yourself playing a chromatic scale on your band instrument. The range of the scale must be at least one octave, meaning that whatever note you start on, you must meet or exceed that same note an octave higher before returning to the original pitch. The scale should be ascending and descending at a steady pace. No minimum tempo requirement, but it must be even and recognizable as a scale. Percussion must be a mallet instrument or piano/electric keyboard. (25 points total)
